

Quality Policy

Wall to Wall Communication Ltd aim is to ensure that our client's requirements are clearly understood and are achieved with close liaison throughout all stages.

This will be achieved by our commitment to:-

- Delivering advanced integrated solutions to our clients in a timely manner
- Provide effective solutions to ensure that our client's communication systems exceed their expectations
- Continually updating our technical competence and software applications
- Enhance the expertise of our employees by periodic training and communicating our quality objectives through our company vision
- Periodic reviews of in-house systems to ensure compliance with ISO 9001
- Identifying, understanding and meeting our obligations towards our interested parties

Though the CEO has ultimate responsibility for the Quality Policy, all employees also have a responsibility within their own areas of work helping to ensure that Quality is embedded within the whole company
